

THE UNIVERSITY OF AKRON – WAYNE COLLEGE
2420:10BS
BACHELOR OF ORGANIZATIONAL SUPERVISION

The baccalaureate program in organizational supervision is designed specifically for students with an earned technical associate degree from a regionally accredited institution. Students interested in this program should contact an advisor at Wayne College (330.684.8900) to review their transcript and to develop a program of study.

All students will be required to complete a minimum of 30 credit hours of 300/400 level courses as listed below. In addition, students will be required to complete all necessary prerequisites and to meet the general education requirements for all baccalaureate students at The University of Akron.

NOTES:

- a. All students pursuing a bachelor's degree at the University of Akron must complete the General Education requirements. Students transferring to the Bachelors of Organizational Supervision who have not completed these requirements prior to acceptance into the program should meet with an academic advisor to review remaining courses.
- b. All students will be required to take a course each from the **Economics and Psychology** sets of the **General Education Social Science requirements**. BOS students may use 2030:240 Human Relations to replace 3750:100 Intro to Psychology as the prerequisite for 3750:380 Industrial/Organization Psychology.
- c. If a student has not completed Statistics as part of an Associate degree or General Education requirements, student must take this course even if they have met the math requirement for the General Education requirements.
- d. Students in Junior standing (at least 60 credits) who have not earned an Applied Associate degree (AAB or AAS) will be required to complete an undergraduate certificate or minor towards completion in their BOS degree.
- e. There are no exceptions to prerequisites for the BOS courses.
