Check out what our students say about how UA Wayne is helping them succeed.

"What I love most about The University of Akron Wayne College is that the faculty and staff set you up for success. Attending college can be a stressful time, but the professors here make sure that you have all the tools you need to be successful."

- Hailey Copeland,
Biology major

"I love that I can get my entire Primary Inclusive Teacher Preparation degree close to home – and that it includes a special education endorsement. This gives me a wider range of ability and allows me and my degree to be more marketable."

-Marley Jett,
Primary Inclusive Teacher Preparation major

UNDERGRADUATE MAJORS

You can complete select bachelor's and associate degrees or start any of the 200 University of Akron majors here at UA Wayne College.

Did you know that most students change their major at least twice before making their final choice?

Starting any new journey can be a little intimidating, but at The University of Akron Wayne College, our flexible schedules and course options allow you to explore a wide variety of academic paths.

Our majors are designed to **ignite** your **passions** and **prepare** you for a successful career in your chosen field. All our programs are available at The University of Akron, making it easy for you to transition to the Akron campus.

Whatever path you choose, we'll help you find the one that's right for you.

ACADEMICS

At The University of Akron Wayne College, our instructors are highly credentialed but also experienced in the real world.

Most class sizes are under 20, allowing you to get to know your fellow students and your professors.

Our classrooms are active learning spaces. You'll be asked to apply your knowledge, work with classmates and share your perspectives.

In any given semester, we offer more than 120 different courses in more than 40 different fields.

Our hybrid classes are designed to give you the in-person connection you need to succeed, and the convenience of online learning.
