The University of Akron Regional Campuses

Life as a Zip!

Undergraduate Viewbook

2019-2020
The University of Akron Wayne College is an educational and cultural hub for Wayne County and the surrounding region. Student success is achieved through excellent teaching with an emphasis on individualized attention. We prepare our students for further educational pursuits, career success and lifelong learning.

To achieve this mission, Wayne College will:

- Provide affordable access to The University of Akron’s bachelor’s and master’s degree programs, technical associate degrees and general education coursework;
- Contribute to the community’s lifelong learning landscape by offering both credit and non-credit opportunities;
- Remain the region’s open-access option for students to complete developmental coursework to prepare for admission to The University of Akron;
- Provide programming on-site at our beautiful Orrville campus, online or at one of several satellite locations throughout Northern Ohio; and
- Extend programming and support services to the students served by our satellite locations in Millersburg, Medina and Lakewood, and by regional high schools through the College Credit Plus (CCP) program.

Academics

The University of Akron regional campuses provide a rich learning environment to meet the diverse needs of students and help them accomplish their individual goals.

The Faculty

Our faculty members are experienced, dedicated teachers committed to putting their students first. In addition, they publish articles and have headed national and state organizations, served as editors and readers for professional publications, and worked as consultants for business and industry. Moreover, their small class sizes and convenient office hours make them easily approachable.

Student Scholars Program

What is the Student Scholars Program?
It is a program designed to recognize and encourage academic excellence for students at UA’s regional campuses. The program consists of two parts: the Individualized Study Project during fall semester and the Scholars Colloquium in the spring.

Who is Eligible?
Full- and part-time students in any major who have completed 24 credits by the beginning of fall semester with a 3.00 GPA are eligible to apply. No more than 25 students are admitted to the program each academic year.

To learn more about our Scholars Program, visit wayne.uakron.edu/scholars or call 330-684-8795.

Build Your Degree Portfolio

Earn your associate degree on the way to your bachelor’s.

- No Additional Cost
  Obtain an associate degree on the way to earning your bachelor’s degree.

- Start Earning Money
  Become more employable with an associate degree and start gaining paid work experience.

- Tuition Reimbursement
  If you’re already employed, your employer may pay for you to learn new skills and earn a degree.

- Transferability
  If completing your degree at another college is your plan, you can start earning transferable credits today.

College Credit Plus (CCP)

UA’s College Credit Plus program allows students to earn college credit and high school graduation credit through the successful completion of college courses.

How to Apply

- Complete the online Undergraduate Admission Application at wayne.uakron.edu/admissions and select “College Credit Plus Program.”
- Complete the Signature Page. Signatures are required by the student, parent or guardian, and the high school counselor.
- Submit an official high school transcript.
- Submit ACT or SAT test score results (testing must be completed prior to the application deadline).
- No application fee is required.

UA Workforce Training Solutions

Training to meet your needs

Offering both not-for-credit classes and certifications, Workforce Training Solutions is housed on the Akron campus. Gain new skills taught by industry experts or take advantage of your business’s employee trainings.

To learn more or see a list of current classes on each campus, visit uakron.edu/uas.
Student Services

Your success is very important to us. The University of Akron’s regional campuses provide many services to help you succeed once you get on campus.

The Smucker Learning Center and the UA Wayne College Library
Located on the Wayne College campus in Orrville, these resources are open to all regional campus students. The Smucker Learning Center provides free peer and professional tutoring to all students in most classes. Learn study skills, time management techniques and reading strategies — all designed for your particular needs. The Smucker Learning Center also houses the Office of Accessibility, providing qualified students with accommodations to support full access and participation in the academic environment.

The library’s on-site collection, combined with the Akron campus and OhioLINK collections, offers students access to more than 46 million books and other library materials. The library’s facilities include computer work-stations, a computer lab, a Zip Print station, three study rooms, a presentation practice space, numerous outlets and charging stations for personal devices.

Academic Advising
Academic advising goes beyond helping plan course and career choices. Our advisors assist you in building a schedule that fits your busy life, so you can easily transition to your next academic or career goal.

Personal Counseling
Confidential, one-on-one counseling is available to all students who might find themselves under stress or dealing with personal issues. On-campus workshops and discussion groups also cover topics such as interpersonal relationships and managing busy lifestyles.

Career Services
Whether you’re deciding on a major, seeking local employment or polishing your resume, contact your regional campus to learn how to schedule your Career Services appointment.

Adult Focus

A Support Center for Adult Students
Adult Focus is an Akron-campus academic support service for adult learners. An adult learner is any student, regardless of age, whose primary life roles and responsibilities exist independently of the University and take precedence over the role of student in times of crisis or stress. For more information, contact Laura H. Conley, director, at 330-972-5793 or by email at lhc1@uakron.edu.

Veterans

Transitioning from the military to college can be challenging, but UA is here to help.

Athletics

The John Boyer Health and Physical Education Center
The John Boyer Health and Physical Education Center, located on the Wayne College campus in Orrville, offers all regional campus students access to an open gym, racquetball/wallyball court, cardio room and a fully equipped weight room. As a bonus, the Orrville YMCA, located next to Wayne College, has a pool and offers affordable student memberships.

You can attend both Wayne Warriors and Akron Zips home athletic events for free by using your Zip Card.

Compete at the Next Level
After graduating from high school, keep the uniform on and play for the Wayne Warriors. Our teams play a full Ohio Regional Campus Conference (ORCC) schedule (including regional campus tournaments) and compete against National Association of Intercollegiate Athletics and NCAA Division III teams.

Wayne College Sports
- Men’s basketball
- Women’s basketball
- Men’s golf
- Women’s volleyball

## Admission

Apply online today! The University of Akron’s regional campuses operate on a rolling admissions basis, which means that a decision will be made, and a letter sent informing you of that decision, as soon as all your credentials have been received and considered.

Apply as one of the following student types:

### New Freshman (Traditional)

Students who have not attended any college, university, or technical or proprietary school after graduation from high school, or who have earned a GED less than five years ago. Be sure to have your test scores sent to the regional campus to which you’re applying. You can use the Wayne College ACT and SAT codes during the registration process. The ACT code is 3267, and the SAT code is 1892.

Home-schooled students should indicate ‘home schooled’ in the section for name of high school in the Admissions Application. A transcript of studies and supporting documents such as book list, a signed copy of the superintendent’s exemption letter, ACT or SAT test results, and transcripts from postsecondary coursework, if applicable, must be submitted.

### New Freshman (Non-Traditional)

Students who graduated from high school or earned a GED more than five years ago, and who have never attended college.

### College Credit Plus (CCP)

High school students who wish to take college coursework through College Credit Plus.

### Postbaccalaureate

Students who have received a baccalaureate (bachelor’s) degree from a regionally accredited college or university other than UA, and who wish to take undergraduate coursework.

### Transfer

Students who have enrolled in a regionally accredited college, university, or technical or proprietary school since graduating from high school, but who have not completed a baccalaureate degree. Applications from transfer students with a GPA under 2.0 will require additional review before a final admission decision is made.

### Guest (Transient)

Students enrolled at other institutions who wish to attend UA and take coursework under guest status.

## Financial Info

While The University of Akron’s regional campuses offer a quality education at a reasonable cost, you may need financial assistance to achieve your goals. You can take advantage of a variety of scholarships, grants, loans and employment opportunities, depending on your personal situation. Our job is to help you explore all of the available opportunities.

### Apply for Financial Aid

To apply for federal or state aid, grants, loans or work-study, you must complete a Free Application for Federal Student Aid (FAFSA), which is available online at [fafsa.gov](http://fafsagov). On the FAFSA, you’ll be asked to supply our federal school code, which is 003123. This code is for any campus of The University of Akron.

For an application and list of scholarships offered through Wayne College and The University of Akron for all regional campus students, please visit [wayne.uakron.edu/admissions/financial-aid/scholarships](http://wayne.uakron.edu/admissions/financial-aid/scholarships). You can also contact your campus for more details.

### Payment Plan

If your financial aid isn’t enough to cover your total amount due, or if you’re simply paying all of the tuition, a payment plan is available. This allows you to pay your balance in three payments throughout the semester. To sign up, please visit the Finances section in your My Akron account.

## The Akron Guarantee Scholarship

The Akron Guarantee Scholarship (AGS) — ranging from $8,000–$34,000 in total over four years — is superior to most merit-based scholarships because it renews and increases each year, so long as you make progress toward your degree. Learn more at [uakron.edu/guarantee](http://uakron.edu/guarantee).

* Scores are subject to change for the fall 2020 semester. UA Lakers’ scores are determined by their factors: enrollment rates, FAFSA dependency status and program of enrollment. Fees and estimates are correct at time of publication but are subject to change. Please check websites to verify the most up-to-date information and fees.

---

## If you’ve applied and been accepted, what can you expect?

You’ll receive a letter congratulating you on your acceptance and prompting you to schedule your orientation session. New Student Orientation provides essential information for all new students. During orientation, you’ll receive a campus tour, create your passwords, activate your student email and meet with an academic advisor to schedule classes.

Where Student Success Comes First!
From the moment you start your college career with us, you’ll find yourself in a welcoming, friendly environment where students thrive. During the first two days of classes, we have helpful greeters on hand to assist you in finding your classrooms and to answer any questions you might have. And did we mention the free donuts?

Throughout the semester, we continue to provide support services, such as free chair massages during finals week, to make sure you’re in a position to succeed. And, with annual events such as Wayne Fest, the Multicultural Festival and Spring Fling, you’ll have plenty of opportunities to socialize, relax and make Wayne College your home away from home.

Our Campus
Wayne College is situated in the midst of 160 acres of beautiful countryside. It’s an easy-access campus with two buildings:

- The Main Classroom Building, which features state-of-the-art science labs, along with our UA Wayne College 3D Lab, featuring 3D printing; and
- The Student Life Building, which includes a bookstore, cafe and art gallery.
- Athletic facilities are also available on campus.

The Barnes & Noble Bookstore
The Wayne College Barnes & Noble Bookstore provides all the supplies you need for your classes. In addition to textbooks and study guides for all courses, you can find everything from paper and pens for taking notes to a great selection of official UA apparel and gifts. The bookstore is located inside the Student Life Building on campus.

Zip Station
Zip Station, located in the Student Life Building, serves a variety of foods and beverages for students on campus.

Zip Commuter Meal Plan
Zip Commuter Meal Plan can be billed to your student account through the first week of the semester. After the first week, Commuter Meal Plans can still be purchased, but not included on your tuition bill. Funds can only be used at Zip Station on the Wayne College campus.

- Plan A - Pay $240, receive $300 Wayne Dollars
- Plan B - Pay $420, receive $600 Wayne Dollars
- Plan C - Pay $630, receive $900 Wayne Dollars

To get the Zip Commuter Meal Plan application, visit wayne.uakron.edu/mealplan.

Welcome
The University of Akron Lakewood is currently located inside of Lakewood High School. We offer flexible learning options and small class sizes, giving you the freedom and personal attention you need to succeed.

UA Lakewood offers general education courses for students who plan to continue at the Akron campus. TESOL (teaching English to speakers of other languages) Endorsement coursework is also available.

UA Lakewood is only 6 miles from the downtown Cleveland area and 45 miles from The University of Akron. UA Lakewood is connected to the Greater Cleveland Regional Transit Authority, which provides transportation to all major suburbs of the Cleveland area.

> Academics
- Associate degrees that can be completed entirely on the UA Medina campus:
  - Associate of Arts
  - Associate of Science

- Other studies:
  - Pre-admission courses for the Bachelor of Science in Nursing

> Ranger College – Coming Soon!
In fall 2020, UA Lakewood will be housed in Ranger College, which will be located in the former Taft Elementary School building at 13701 Lake Ave.

Determining Your Cost of Attendance
We base our financial aid awards (scholarships, grants, work-study and loans) on estimates of the cost of attendance for an academic year (defined as two semesters, fall and spring), as determined by:
- enrollment status
- FAFSA dependency status
- program of enrollment

Upper-level courses for degree completion:
- Bachelor of Social Work

Established in 1870, The University of Akron (UA) offers a wide range of top-ranked and in-demand associate, bachelor’s, master’s and doctoral degree programs in engineering, business, the arts and sciences, health care, education and law. Providing hands-on, real-world experiences in the classroom and research lab, UA prepares students for a lifetime of success.

The University’s beautiful metropolitan campus, located in the heart of Ohio’s fifth-largest city, is surrounded by thousands of businesses, providing diverse experiential learning opportunities – such as co-ops, internships and part-time employment – to students who come from across the country and around the world. The University is also close to a variety of attractions throughout Northeast Ohio, including restaurants, stores, music and sports venues, museums, zoos and Ohio’s only national park. Students enjoy many of the attractions and amenities of a big city, but with the advantages and affordability of small-town living.

Moreover, the University boasts award-winning residence halls, championship-winning NCAA Division I sports teams, more than 300 student clubs and organizations, and a highly ranked Student Recreation and Wellness Center – providing the full campus experience.

Discover more about UA and all it has to offer at uakron.edu.
