Undergraduate Viewbook
2021 - 2022
The University of Akron Wayne College Campus is an educational and cultural hub for Wayne County and the surrounding region. Student success is achieved through excellent teaching with an emphasis on individualized attention. We prepare our students for further educational pursuits, career success and lifelong learning.

To achieve this mission, the UA Wayne College Campus will:

- Provide affordable access to The University of Akron’s bachelor’s and master’s degree programs, technical associate degrees and general education coursework;
- Contribute to the community’s lifelong learning landscape by offering both credit and non-credit opportunities;
- Remain the region’s open-access option for students to complete developmental coursework to prepare for admission to The University of Akron;
- Provide programming on-site at our beautiful Orrville campus, online or at one of several regional campuses throughout Northern Ohio; and
- Extend programming and support services to the students served by our regional campuses in Medina and Lakewood, and by regional high schools through the College Credit Plus (CCP) program.

UA Wayne College Campus
wayne.uakron.edu
The University of Akron Wayne College Campus has added the following bachelor’s degrees. These degrees can be completed on the Wayne Campus!

To learn more, visit wayne.uakron.edu/bachelors-degrees.

Primary Inclusive Teacher Preparation (PITP)
The core curriculum combines theory and practice to prepare students for a dual licensure program in P-5 general education and intervention specialist, primarily in public or private schools.

Strategic and Organizational Communication
The program prepares students to enter a competitive marketplace where communication, creative problem-solving and critical thinking are in high demand. Courses equip students with the communication skills and knowledge to effectively lead and collaborate. Graduates will possess a range of skills that will enable them to succeed in organizations, businesses, relationships, public campaigns, advocacy and the law.

Nursing
This program combines science and the humanities to teach students the art of nursing and give them the opportunity to change lives. The School of Nursing advances excellence in student learning, collaborative clinical service, community service and scholarship.

Business Administration in Marketing
The Bachelor of Business Administration in Marketing gives students a traditional business skill set, as well as a cutting edge, data driven approach to marketing research, branding, promotion and marketing strategy. With a focus on application, students work with local companies to learn social media and digital marketing.

Social Work
The social work program prepares students for a competent and effective generalist social work practice with small class sizes and individual attention. The program offers students the opportunity to become a licensed professional. Social workers often serve individuals, families, groups and communities, with a focus on helping under served and oppressed populations.

Our Faculty
Our faculty members are experienced, dedicated teachers committed to putting their students first. In addition, they publish articles and have headed national and state organizations, served as editors and readers for professional publications, and worked as consultants for business and industry. Moreover, their small class sizes and convenient office hours make them easily approachable.

Tuition Reimbursement
If you’re already employed, your employer may pay for you to learn new skills and earn a degree.

Transferability
If completing your degree at another college is your plan, you can start earning transferable credits today.

To learn more about our Scholars Program, visit wayne.uakron.edu/scholars or call 330-684-8795.

Earn your associate degree on the way to your bachelor’s degree!
UA’s College Credit Plus program allows students to earn college credit and high school graduation credit through the successful completion of college courses.

Through the College Credit Plus Program:
- Students are eligible to enroll in classes during fall, spring and summer semesters.
- Tuition for public high school students will be paid directly out of the public school’s state funds.
- Tuition for non-public and homeschooled students is subsidized by a specific sum of money set aside by the Ohio General Assembly, and funds are awarded on a first-come, first-served basis.
- Required textbooks and fees related to coursework are provided for both public and non-public students by the individual school district.

Adult Focus
A Support Center for Adult Students
Adult Focus is an Akron-campus academic support service for adult learners. An adult learner is any student, regardless of age, whose primary life roles and responsibilities exist independently of the University and take precedence over the role of student in times of crisis or stress. For more information, contact Laura H. Conley, director, at 330-972-5793 or by email at lhc1@uakron.edu.

To learn more about UA Adult Focus, visit uakron.edu/uaaf.

Transiting from the military to college can be challenging, but UA is here to help.

Apply online today! The University of Akron’s regional campuses operate on a rolling admissions basis, which means that a decision will be made, and a letter sent informing you of that decision, as soon as all your credentials have been received and considered.

Apply as one of the following student types:

**New Freshman (Traditional)**
Students who have not attended any college, university, or technical or proprietary school after graduation from high school, or who have earned a GED less than five years ago.

Home-schooled students should indicate “home-schooled” in the section for name of high school in the Admission Application. A transcript of studies and supporting documents such as book lists, a signed copy of the superintendent’s exemption letter and any other supporting materials related to the home-schooled, if applicable, must be submitted.

**New Freshman (Non-Traditional)**
Students who graduated from high school or earned a GED more than five years ago, and who have never attended college.

**College Credit Plus (CCP)**
High school students who wish to take college coursework through College Credit Plus.

**Postbaccalaureate**
Students who have received a baccalaureate ( bachelor’s ) degree from a regionally accredited college or university other than UA, and who wish to take undergraduate coursework.

**Transfer**
Students who have enrolled in a regionally accredited college, university, or technical or proprietary school since graduating from high school, but who have not completed a baccalaureate degree. Applications from transfer students with a GPA under 2.00 will require additional review before a final admission decision is made.

**Guest (Transient)**
Students enrolled at other institutions who wish to attend UA and take coursework under guest status.

IF YOU’VE APPLIED AND BEEN ACCEPTED, WHAT CAN YOU EXPECT?

You’ll receive a letter congratulating you on your acceptance and prompting you to schedule your orientation session. New Student Orientation provides essential information for all new students. During orientation, you’ll receive a campus tour, create your passwords, activate your student email and meet with an academic advisor to schedule classes.
While The University of Akron’s regional campuses offer a quality education at a reasonable cost, you may need financial assistance to achieve your goals. You can take advantage of a variety of scholarships, grants, loans and employment opportunities, depending on your personal situation.

Apply for Financial Aid

To apply for federal or state aid, grants, loans or work-study, you must complete a Free Application for Federal Student Aid (FAFSA), which is available online at fafsa.ed.gov. On the FAFSA, you’ll be asked to supply our federal school code, which is 003123. This code is for any campus of The University of Akron.

For an application and list of scholarships offered through UA Wayne College Campus and The University of Akron for all regional campus students, please visit wayne.uakron.edu/admissions/financial-aid/scholarships.dot or contact your regional campus for more details.

**Questions?**

Contact our Office of Admissions at the UA Wayne College Campus by calling 330-684-8900.

**Payment Plan**

If your financial aid isn’t enough to cover your total amount due, or if you’re simply paying all of the tuition, a payment plan is available. This allows you to pay your balance in three payments throughout the semester. To sign up, please visit the Finances section in your My Akron account.

**Wayne College**

**The Barnet & Noble Bookstore**

The UA Wayne College Campus Barnes & Noble Bookstore provides all the supplies you need for your classes. In addition to textbooks and study guides for all courses, you can find everything from paper and pens for taking notes to a great selection of official UA apparel and gifts.
