THE UNIVERSITY OF AKRON

REGIONAL CAMPUSES

TOGETHER, WE RISE

2020 - 2021 Undergraduate Viewbook
The University of Akron Wayne College is an educational and cultural hub for Wayne County and the surrounding region. Student success is achieved through excellent teaching with an emphasis on individualized attention. We prepare our students for further educational pursuits, career success and lifelong learning.

To achieve this mission, UA Wayne College will:

- Provide affordable access to The University of Akron’s bachelor’s and master’s degree programs, technical associate degrees and general education coursework;
- Contribute to the community’s lifelong learning landscape by offering both credit and non-credit opportunities;
- Remain the region’s open-access option for students to complete developmental coursework to prepare for admission to The University of Akron;
- Provide programming on-site at our beautiful Orrville campus, online or at one of several academic centers throughout Northern Ohio; and
- Extend programming and support services to the students served by our academic centers in Medina and Lakewood, and by regional high schools through the College Credit Plus (CCP) program.

**Courses currently not available at the UA Wayne College campus. Some degrees are designed for use by transfer students in local high schools. A few upper-level courses are offered at this time.

***Certain courses are currently available at UA Wayne College. Students are advised to contact an advisor to develop an appropriate program.

††Programs can be completed entirely on the UA Lakewood campus.

‡‡Programs can be completed entirely on the UA Medina campus.
The University of Akron Wayne College has added the following four-year degrees. These degrees can be completed entirely on the UA Wayne College campus!

Business Administration
This program provides students with a broad foundation in business and the flexibility to choose courses according to their particular areas of interest. Business administration prepares students to hold a variety of positions within a business enterprise.

Nursing
This program combines science and the humanities to teach students the art of nursing and give them the opportunity to change lives. The School of Nursing advances excellence in student learning, collaborative clinical service, community service and scholarship.

Social Work
The social work program prepares students for a competent and effective generalist social work practice with small class sizes and individual attention. The program offers students the opportunity to become a licensed professional. Social workers often serve individuals, families, groups and communities, with a focus on helping under served and oppressed populations.

Strategic and Organizational Communication
The program prepares students to enter a competitive marketplace where communication, creative problem-solving and critical thinking are in high demand. Courses equip students with the communication skills and knowledge to effectively lead and collaborate. Graduates will possess a range of skills that will enable them to succeed in organizations, businesses, relationships, public campaigns, advocacy and the law.

Primary Inclusive Teacher Preparation
The core curriculum combines theory and practice to prepare students for a dual licensure program in P-5 general education and intervention specialist, primarily in public or private schools.

The University of Akron regional campuses provide a rich learning environment to meet the diverse needs of students and help them accomplish their individual goals.

The Faculty
Our faculty members are experienced, dedicated teachers committed to putting their students first. In addition, they publish articles and have headed national and state organizations, served as editors and readers for professional publications, and worked as consultants for business and industry. Moreover, their small class sizes and convenient office hours make them easily approachable.

Student Scholars Program
What is the Student Scholars Program?
It is a program designed to recognize and encourage academic excellence for students at UA’s regional campuses. The program consists of two parts: the Individualized Study Project during fall semester and the Scholars Colloquium in the spring.

Who is Eligible?
Full- and part-time students in any major who have completed 24 credits by the beginning of fall semester with a 3.00 GPA are eligible to apply. No more than 25 students are admitted to the program each academic year.

To learn more about our Scholars Program, visit wayne.uakron.edu/scholars or call 330-684-8795.

No Additional Cost
Obtain an associate degree on the way to earning your bachelor’s degree.

Start Earning Money
Become more employable with an associate degree and start gaining paid work experience.

Tuition Reimbursement
If you’re already employed, your employer may pay for you to learn new skills and earn a degree.

Transferability
If completing your degree at another college is your plan, you can start earning transferable credits today.

Earn your associate degree on the way to your bachelor’s

Adult Focus
A Support Center for Adult Students

Adult Focus is an Akron-campus academic support service for adult learners. An adult learner is any student, regardless of age, whose primary life roles and responsibilities exist independently of the University and take precedence over the role of student in times of crisis or stress. For more information, contact Laura H. Conley, director, at 330-972-5793 or by email at lhc1@uakron.edu.

YOUR SUCCESS IS IMPORTANT TO US. THE UNIVERSITY OF AKRON'S REGIONAL CAMPUSES PROVIDE MANY SERVICES TO HELP YOU SUCCEED ONCE YOU GET ON CAMPUS.

THE SMUCKER LEARNING CENTER AND THE UA WAYNE COLLEGE LIBRARY

Located on the UA Wayne College campus in Orrville, these resources are open to all regional campus students.

The Smucker Learning Center provides free peer and professional tutoring to all students in most classes. Learn study skills, time management techniques and reading strategies — all designed for your particular needs. The Smucker Learning Center also houses the Office of Accessibility, providing qualified students with accommodations to support full access and participation in the academic environment.

The library’s on-site collection, combined with the Akron campus and OHIOLINK collections, offers students access to more than 46 million books and other library materials. The library’s facilities include computer workstations, a computer lab, a Zip Print station, three study rooms, a presentation practice space, numerous outlets and charging stations for personal devices.

ACADEMIC AVOIDING

Academic advising goes beyond helping plan course and career choices. Our advisors assist you in building a schedule that fits your busy life, so you can easily transition to your next academic or career goal.

PERSONAL COUNSELING

Confidential, one-on-one counseling is available to all students who might find themselves under stress or dealing with personal issues. On-campus workshops and discussion groups also cover topics such as interpersonal relationships and managing busy lifestyles.

CAREER SERVICES

Whether you’re deciding on a major, seeking local employment or polishing your resume, contact your regional campus to learn how to schedule your Career Services appointment.

Admissions

Apply online today! The University of Akron’s regional campuses operate on a rolling admissions basis, which means that a decision will be made, and a letter sent informing you of that decision, as soon as all your credentials have been received and considered.

Apply as one of the following student types:

New Freshman (Traditional)
Students who have not attended any college, university, or technical or proprietary school after graduation from high school, or who have earned a GED less than five years ago. Home-schooled students should indicate ‘home-schooled’ in the section for name of high school in the Admission Application.

A transcript of studies and supporting documents such as book lists, a signed copy of the superintendent’s exemption letter, ACT or SAT test results, and transcripts from postsecondary coursework, if applicable, must be submitted.

New Freshman (Non-Traditional)
Students who graduated from high school or earned a GED more than five years ago, and who have never attended college.

College Credit Plus (CCP)
High school students who wish to take college coursework through College Credit Plus.

Postbaccalaureate
Students who have received a baccalaureate (bachelor’s) degree from a regionally accredited college or university other than UA, and who wish to take undergraduate coursework.

Transfer
Students who have enrolled in a regionally accredited college, university, or technical or proprietary school since graduating from high school, but who have not completed a baccalaureate degree. Applications from transfer students with a GPA under 2.00 will require additional review before a final admission decision is made.

Guest (Transient)
Students enrolled at other institutions who wish to attend UA and take coursework under guest status.

To apply to UA’s regional campuses, please visit:
- UA Lakewood: lakewood.uakron.edu
- UA Medina: medina.uakron.edu
- UA Wayne College: wayne.uakron.edu

If you’ve applied and been accepted, what can you expect?
You’ll receive a letter congratulating you on your acceptance and prompting you to schedule your orientation session. New Student Orientation provides essential information for all new students. During orientation, you’ll receive a campus tour, create your passwords, activate your student email and meet with an academic advisor to schedule classes.

Questions?
Contact our Office of Admissions at The University of Akron Wayne College by calling 330-684-8900.

Admissions Application
Nonrefundable Application Fee*
Official High School Transcripts or GED Score Report
ACT or SAT Scores
Official College Transcripts

*$50 APPLICATION FEE IS WAIVED for students enrolling for Spring ’21 and Fall ’21 semesters. You will not pay an application fee.

**We are test-optional for the traditional new freshmen class of 2021, so you aren’t required to submit ACT/SAT test scores (except for home-schooled students). If you choose not to submit test scores, you’ll still be given full consideration for admissions and merit scholarships. If you choose to submit test scores, please be sure to have your test scores sent to the regional campus to which you’re applying. You can use the Wayne College ACT and SAT codes during the registration process. The ACT code is 3267, and the SAT code is 1892.
**FINANCIAL INFO**

While The University of Akron’s regional campuses offer a quality education at a reasonable cost, you may need financial assistance to achieve your goals. You can take advantage of a variety of scholarships, grants, loans and employment opportunities, depending on your personal situation. Our job is to help you explore all of the available opportunities.

**Apply for Financial Aid**

To apply for federal or state aid, grants, loans or work-study, you must complete a Free Application for Federal Student Aid (FAFSA), which is available online at fafsa.ed.gov. On the FAFSA, you’ll be asked to supply our federal school code, which is 003123. This code is for any campus of The University of Akron.

For an application and list of scholarships offered through UA Wayne College and The University of Akron for all regional campus students, please visit wayne.uakron.edu/admissions/financial-aid/scholarships.dot or contact your campus for more details.

**Payment Plan**

If your financial aid isn’t enough to cover your total amount due, or if you’re simply paying all of the tuition, a payment plan is available. This allows you to pay your balance in three payments throughout the semester. To sign up, please visit the Finances section in your My Akron account.
